After realising his condition, he sent for a Free Trial Bottle of Warner's Safe Cure, and became convinced of its merit.

DISEASED KIDNEYS

Mr. Slattery, in writing to a friend, said: "Warner's Safe Cure goes right to the spot, restores the kidneys to a healthful condition, and drives the dis-case germs from the system. It is a great blessing to sufferers from kid-

"A trial bottle of your grand kidney medicine will convince any one of its wonderful merits. I tried so many remedies without being benefited that I was about discouraged; but in a few days after taking Warner's Safe Cure I began to feel better. I was out of health and rundown generally, had no appetite, was dizzy, and suffered with headache most of the time, which, together with terrible paths in my back, made life miserable, and I felt I could not live. I did not know that my kidneys were the cause of the trouble, but somehow felt they might be, so began taking Warner's Safe Cure and was soon restored to health. There is such a pleasant taste to Warner's Safe Cure that it goes right to the spot, restoring the kidneys and liver, and drives the dreadful disease from the system. It has cured me, making me stronger and better in every way, and I cheerfully recommend it to all sufferers, as it proved a godsend to me."—T. M. SLATTERY, Bell Fourche, So. Dak., March 12, 1996.
